

EASTMONT
PRE-SCHOOL

Welcome to Eastmont Pre-School!

Eastmont Pre-School has been providing quality kindergarten programs for children since 1968. We are proud of the high standard of education and care. This has been validated in our recent assessment for the National Quality Framework rating where we obtained an overall rating of Exceeding National Quality Standard.

Eastmont Pre-School offers a stimulating, play-based curriculum that will enable your child to explore and understand the world around them. We aim to create a caring and inclusive environment where children of all abilities feel supported and are able to explore, discover, imagine and create. We promote respect for self and others, and responsibility for the environment. Children are provided with opportunities that encourage and develop independence, communication and confidence. Individual differences are valued within the group, where children's unique strengths and interests are encouraged and celebrated.

Eastmont Pre-School is very well resourced both inside the kinder and in the playground. The building is equipped with floor heating operated by a thermostatically controlled gas hot water unit. There are many highlights in our large shady outdoor area; a cubby house, large sandpit, pirate ship climbing frame, swing set and a sustainable garden.

At Eastmont Pre-School we have dedicated and experienced teachers and educators as well as an administrator. Eastmont Pre-School is managed by a committee of parents and two staff. The members of the committee are parent volunteers elected every November at our Annual General Meeting. We value cultural diversity and encourage every family to become involved in our service.

Information About Our Kinder Programs

Four Year Old Kinder

Four year old children attend Pre-School for 15 hours funded by the State Government.

- We currently offer 2 four year old groups – 5 hour program and long day options.
- Our five hour group (Koala Group) attends kinder for 3 five-hour sessions.
- Our long day group (Possum Group) attends kinder for 2 seven-and-a-half-hour sessions.

Our 4 year old group structure of a five hour group and a long day group is subject to change each year.

Three Year Old Kinder (Wombats)

Three year old children attend Pre-School for 5 hours.

- Currently our 3 year old sessions are rotational, consisting of 3 groups.
- Each group attends kinder for 2 two-and-a-half-hour sessions.

Our 3 year old group structure of rotational 3 year old groups is subject to change each year.
