Emergency Management Plans are required to be tested regularly.

VRQA minimum standards require facilities on the Bushfire At Risk Register (BARR) to practise evacuation drills at least once per term during the October-April bushfire season. Evacuation drills must involve all children and staff moving to either a nominated on-site 'shelter-in-place' or an off-site evacuation point as per the school's Emergency Management Plan. Early Childhood Services are encouraged to practice evacuation drills at least once per term during the October-April bushfire season.
